TAX EVASION, MONEY LAUNDERING

'All-time high requests were made to foreign agencies for info in 2018-19'

NEELABH SRIVASTAVA New Delhi, July 24

INDIA IN 2018-19 made an alltime high number of requests to foreign financial intelligence units as part of probing a multitude of money laundering, terrorist financing and tax evasion cases, according to a latest report comparing last six years' data. The Financial Intelligence Unit (FIU), the federal economic snoop agency under the Union finance ministry, sent 289 legal requests to its counterparts across the globe during 2018-19 as compared to 177 in 2017-

18 and 138 in 2016-17. The comparative data for requests sent to foreign FIUs seeking cooperation in criminal tax evasion and money laundering cases during 2015-16 was 140, 55 during 2014-15 and 82 in 2013-14, the latest FIU report said. The report, accessed by PTI, added that the FIU also received the maximum such requests (during 2018-19) from law enforcement agencies of the country — like the I-T department, the ED, the CBI, the National Investigation Agency (NIA), the Directorate of Revenue Intelligence (DRI) and others — over the same six years period. The FIU is the national agency to collect and analyses suspicious transaction reports, counterfeit currency reports and cash trans-

'Base price for TOT highway projects redundant'

SURYA SARATHI RAY New Delhi, July 24

CANADIAN **INVESTORS WANT** the National Highways Authority of India (NHAI) to do away with the current practice of setting the base price for highway bundles offered under the toll-operate-transfer (TOT) model and leave it on the investors to bid on the basis of their assessment of the worth of the long-term lease. Calling the current practice an "unwanted exercise", investors, including Brookfield, said bidders would always put their best foot forward, irrespective of the Initial Estimated Concession Value (IECV) or the base price, while bidding under the TOT model.

"It is not really required. Getting rid of the ICEV will be very helpful for pushing the TOT programme ahead," said one investor, taking part in a webinar with NHAI chairman SS Sandhu and its member, finance, Asheesh Sharma, organised by Indo-Canadian Business Chamber on the future of Indian Highways.
